

Fighting For Your Marriage

Sermon Series: Courage Starts at Home

Ephesians 5:21-33

A Reality Check

1. Marriage is not primarily for your happiness but your holiness.
2. Marriage either reflects God's character or distorts it.

Wisdom For Husbands:

1. Servant leadership includes sacrifice and gentleness.
2. Your wife needs you to pursue her.

Wisdom For Wives:

1. Submission is your "yes" to his "I will".
2. Your husband needs your respect.

Wisdom For Both:

A Cold Reality: Busyness is always the enemy of intimacy.

A Crazy Cycle: Without love she reacts without respect and without respect he reacts without love.

The Starting Point: Mutual submission is submitting to the others core need.
