**QUICK REVIEW** - Looking back over your sermon notes, which particular point or passage of Scripture most challenged, confused or caught your attention?

1. If you gave your co-workers/neighbors the list of five things that cause God to not hear our prayers from this weekend's teaching, which one do you think they would be most surprised was on the list? Why?
2. This week we heard about how to clear the static on the line to enable our prayers to be heard by God. One of the most important steps to take is to remove any known sin. In Psalm 139:19-24 David is angered by those opposing him and calls out to God to take some action. What is the key to David keeping static off his line even in this heated situation (see verses 23-24)?

Do you ever include this question in your prayers to God? Why or why not?

What might be some of the challenges in allowing someone else to answer the same question about you? Can you think of any benefits?

3. Forgiving others can be no small challenge especially in the case of incredible injustice or deep relational hurt. Yet forgiving others is what frees us from the baggage that we pick up when we harbor bitterness and find ourselves refusing to forgive. How might the verses below help us move forward to grow in our ability and/or motivation to forgive?

Isaiah 53:6    Gen 1:27    Rom 12:19    Col 3:12-14

What do you find challenging in forgiving others?

4. We saw in this week's teaching five things that can block our prayers to God. According to the following verses, what additional issues can also block our prayers to God?

Luke 18:1-5    Ezekiel 14:3    1 John 5:14-15

Looking back at what you wrote above and the five that were mentioned in this week's sermon, which one caught your attention the most and why?
