TAKE IT HOME:

1. Make a list of people whom you most desire to impact with your life. Beside each name, write out what you want to say by completing the thought: Above all else, here's what I want you to know. Set a deadline for sharing this with them. You may also want to write a letter to your spouse and/or keep a journal for your kids.
2. Complete the thought: I consider my life worth nothing to me if only I may \_\_\_\_\_. Write down three things you know God wants you to do with your life. Start praying regularly about how God will accomplish this through you. What steps will you take to follow through and turn your intentions into actions?
3. Ask the Lord to show you any areas where you are not currently living as He has called you to live. Surrender these areas to Him and invite the Holy Spirit to live through you. Do a Bible study on the Holy Spirit to learn how you can live a supernatural life that impacts others. (If you are struggling with a life-controlling problem, seek help from your LifeGroup, mentor, counselor or trusted friend).
