2 Its requires ***SELF- DENIAL*** in a self-center world.

Luke 9:57-58

3 It has a cost that looks ***IRRESPONSIBLE*** to the world.

NOTES

TALK IT OVER

Read Matthew 4:18-22

Why do you think Jesus called Peter and Andrew to follow Him rather than to believe in Him?

What did abandonment require for the early disciples in this passage?

Put yourself in the boat that day, How do you honestly think you would have responded?

What would have been the most difficult part of following Jesus in that moment? Why? What is the most difficult part of following Jesus today?

Do you think most Christians have had to leave much to follow Jesus? Why or why not? What have you had to leave anything to follow Jesus?
